Attached for the Director's signature is a proposed report to the House Judiciary Committee on financial disclosure legislation. The background of this report is as follows: The House Judiciary Subcommittee on Administrative Law and Governmental Relations is considering several bills which would require Federal employees at designated levels to file financial statements. The Subcommittee invited Agency testimony on this legislation (see Tab A). The Chief Counsel of the Subcommittee informed us that Chairman Flowers wanted to give the Agency an opportunity to testify, but did not care whether we did or not. We had already sent a report to the Committee on these bills (see Tab B). It was agreed that, in lieu of testimony, the Agency would supplement its earlier report. This report focuses mainly on the provisions of S. 495, which has just passed the Senate and which contains a partial exemption for CIA and other intelligence agencies. This report has been coordinated with OGC.
